## 12. **IF** SPORTS & RECREATION

**IF you're all about the active, Frankston is your people.**

Health, fitness and wellbeing are vital contributors to a rewarding work-life balance.

And as you'd expect of a region abounding with pristine coastline and bushland, Frankston does health and fitness extremely well.

Whether you prefer getting active at our premier regional Peninsula Aquatic and Recreation Centre (PARC) in Frankston's city centre, exploring picturesque parks, foreshore and natural reserves or getting your competitive side pumping by joining a local sports club – Frankston City has a host of recreational activities to get everyone moving.

Our high-quality playgrounds attract visitors from across the south east Melbourne and Mornington Peninsula as a great location for families to come together, and for children of all ages to make new friends as they explore, learn and develop in a fun environment.

Frankston's sporting facilities strengthen the city's status as a prime location for families and visitors to enjoy leisure time in.

**UPCOMING PROJECTS**
