

10. IF SPORTS & RECREATION

IF you're all about the active, Frankston City kicks all the goals.

Health, fitness and wellbeing are vital contributors to a rewarding work-life balance.

And as you'd expect of a region abounding with pristine coastline and bushland, Frankston does health and fitness extremely well. To name a few, premier facilities include the renowned Peninsula Aquatic and Recreation Centre (PARC), Jubilee Park Indoor Stadium, Peninsula Kingswood Country Golf Club, RF Miles Reserve and redeveloped Carrum Downs Recreation Reserve.

Whether you prefer getting active at our premier regional Peninsula Aquatic and Recreation Centre (PARC) in Frankston's city centre, exploring picturesque parks, foreshore and natural reserves or getting your competitive side pumping by joining a local sports club – Frankston City has a plethora of recreational activities to get everyone moving.

Our high-quality playgrounds attract visitors from across South-East Melbourne and Mornington Peninsula as a great location for families to come together, and for children of all ages to make new friends as they explore, learn and develop in a fun environment.

Frankston's sporting facilities strengthen the city's status as a prime location for families and visitors to enjoy leisure time in.

IF YOU WANT ACTIVE, INVEST FRANKSTON.

CEO, PENINSULA
AQUATIC RECREATION
CENTRE (PARC)
& PINES FOREST
AQUATIC CENTRE

The Peninsula Aquatic and Recreation Centre (PARC) opened in September 2014 thanks to the vision of Frankston City Council and the support of both the Federal and State governments. It is managed by Peninsula Leisure Pty Ltd and is the premier aquatic, fitness and recreation centre for Frankston City and surrounding regions with \$4.771 million memberships and \$1.057 million people using the facility casually.

With high quality facilities such as a 50m pool, waterslides, an aquatic playground, a warm water recovery pool and spa, sauna and steam rooms, onsite physio, a crèche, two group exercise rooms, a large gym floor and a cycle room, it's no wonder PARC is a very special place that appeals to everyone in the community.

Many local sporting clubs connect with us at PARC for training and we're proud of the contribution we make by providing access to our quality training facility that ensures a strong feeder program into some of the most successful sports in our area.

We employ close to 300 of the community's best and brightest in their chosen areas to deliver programs and services that contribute to the health and wellbeing of the local area.

Frankston just gets more and more popular and has been so successful at drawing people down to her attractive shores.

The City is being re-imagined and morphing into a thriving business, culture and sporting precinct.

I am excited about the future prospects for growth, partnerships and innovation that I see in both small and big ideas.
